Our Strategic Vision

California Church Extension
*Spreading the Gospel
through local churches*

Website: www.ifcacce.org

Our Strategic Vision

The California Church Extension strategic vision is *the permeation of every identifiable California community with the hope of the Gospel through the biblical ministry of a reproductive IFCA International Church.*

Our objectives are:

- 1) Planting churches in a place with out a church
- 2) Seeking to establish multicultural ministries
- 3) Rescuing dying churches

Survey of population centers by demographic, historical, and spiritual research.

Alliances with partners both directly and indirectly.

Viability assessment based upon core interest and presence, along with subjective and objective factors.

Enlistment of prayer network, church planting team, personnel , and support.

Mobilization based upon place, assignments, and review.

Engagement in starting, developing, completing, and preparing the church for the next church plant.

Our Tactical Plan to accomplish our vision is found in the above acrostic SAVE ME.
